# FIFA WOMEN'S WORLD CUP FRANCE 2019

Thank you for downloading the FREE Maternity Worldwide sweepstake kit!

STEP ONE: Decide on a stake and how much the prizes are going to be, plus the suggested donation. The classic formula is 35% winner's prize, 15% runner-up prize and 50% charity donation but you can do it any way you want! To maintain interest throughout the month, you can add extra categories like 'heaviest defeat' or 'dirtiest team' (judged by red cards, not fouls).

STEP TWO: Set up your sweepstake! Print out the slips for all 24 teams in the tournament. Cut and fold them (so nobody can see what they're choosing) then put them in a hat for the big draw. Collect the money BEFORE people pick a slip.

STEP THREE: Make sure you keep a record of who has picked which team. As each person draws their slip at random, write their name in the box next to the relevant team on the sheet provided.

STEP FOUR: Print out our wallcharts and keep track of the games! If you're watching with friends, please send us pictures on social media @MaternityMW on Twitter/Instagram and facebook.com/MaternityWW #FIFAWWC #FIFAWWC4MW

STEP FIVE: We've also enclosed a poster explaining who we are and what we do, so people know where their money is going. Some organisations like to run an extra fundraising collection for us during matches but this is completely optional.

STEP SIX: Thank you! Please donate any money you've raised at www.justgiving.com/fundraising/maternity-worldwide-wwc

## What's our sweepstake in aid of?

Maternity Worldwide is a charity which works in low-income countries to help women and girls access the high quality maternal health care they need to be able to give birth safely.

Having a baby should be a time of great joy and hope. But every year across the world 287,000 women die in pregnancy and childbirth. That's one mother dying every two minutes, 800 each day.
